### TO APPLICANTS:

This form must be submitted for all Welding Inspector and Radiographic Interpreter applications. Applicants for the Certified Welding Educator are not required to complete this form.

This completed eye examination form may be sent to the AWS Certification Department prior to the exam, submitted on the day of the exam, or sent to the AWS Certification Department after the exam.

**IMPORTANT: This form must be completed and received in the AWS Certification Department not later than 30 days after the applicant's completed examination date. Applicants who have not fulfilled all requirements within 30 days after the examination date shall have all records, scores and applications voided and may be in jeopardy of forfeiting application fees.**

Eye examinations shall be administered by an Ophthalmologist, Optometrist, Medical Doctor, Registered Nurse or Certified Physician's Assistant or by other ophthalmic medical personnel, and must include the state or province license number. Examinations shall be performed not more than 7 months prior to the date of the welding inspector examination or recertification.

All applicants must pass an eye examination, with or without corrective lenses, to prove near vision acuity on Jaeger J2 at 12 in. or greater ( $\geq 30.5$  cm). All applicants shall take a color perception test. Eye examination results must be documented on this visual acuity form supplied by the AWS Certification Department. No other forms will be accepted.

AWS will not release exam results, recertification results, or renewals without a completed Visual Acuity Record on file.
